BIO - Rachel McCormick - EN. 2021.doc

Hello, Mr. Gray,

I'm the public affairs officer at the Consulate General of Canada in Dallas. Our Consul General, Dr. Rachel McCormick, will be participating in the IOGCC conference in Santa Fe this Sunday through Tuesday and I wanted to ask if it would be possible to arrange a short (15-minute) meeting on the margins of the conference, in order for her to introduce herself and discuss environmental issues of mutual interest.

Dr. McCormick headed the energy and environment section of the Canadian Embassy in Washington for the five years prior to her posting to Dallas in 2019 as head of Canada's representation to the states of Arkansas, Louisiana, New Mexico, Oklahoma and Texas.

I've attached the Consul General's biography and I look forward to hearing from you or your staff on whether we might be able to arrange a short meeting. My full contact information is below and I'll be accompanying the Consul General in Santa Fe.

Thank you.
